OFFICE OF THE POLICE COMMISSIONER.
29 Pemberton square.

Boston, Monday, August 11, 1919.

Police Commissioner Curtis was at his office today and transacted the following business:

The records of Friday last were read and approved.

The Superintendent of Police was directed to promulgate the following to the Department by General Order:-

It is or should be apparent to any thinking person that the police department of this or any other city cannot fulfil its duty to the entire public if its members are subject to the direction of an organization existing outside the department. It is a well recognized fact that a police officer is not an employee but a state officer. He is charged with the impartial enforcement of the laws under the direction of a commissioner who is himself a statutory officer. The following rule interferes in no wise in a policeman's interests and activities as a man and a citizen. It does, however, forbid him, and the department from coming under the direction and dictation of any organization which represents but one element or class of the community. If troubles and disturbances arise where the interests of this organization and the interests of other elements and classes in the community conflict, the situation immediately arises that always arises when a man attempts to serve two masters: he must fail either in his duty as a policeman or in his obligation to the organization that controls him. Therefore the following is hereby added to and made part of Rule 35 of the Rules and Regulations and designated as Section 19 of said Rule:

> 19. No member of the Force shall join or belong to any organization, club or body composed of present or present and past members of the Force which is affiliated with or a part of any organization, club or body outside the Department, except that a Post of the Grand Army of the Republic, the United Spanish War Veterans and the American Legion of World's War Veterans may be formed within the Department.

The Superintendent of Police was directed to promulgate the following to the Department by General Order:-

The Civil Service Commission has set the hours for the examination of Patrolmen for promotion to the grade of Sergeant as follows:

Of the 294 Day Men who are candidates, one hundred will appear at the State House at 7.00 P. M., ninety at the Custom House at 7.00 P. M., and the remaining one hundred and four at the Boston Latin School at 7.00 P. M., according to the notifications sent to them by the Civil Service Commission.

Of the 170 Night Men who are candidates, one hundred will appear at the State House at 12.00 noon, and the remaining seventy at the Custom House at 12.00 noon, according to the notifications sent to them by the Civil Service Commission.

All the candidates will appear for examination in uniform. Said examination will take place on Thursday, August 14, 1919.

The following order was approved:-

The Mayor and City Council having ordered that an annuity be paid from the City Treasury to Emma J. Butterman, widow of Adolf Butterman, formerly a member of the Police Department attached to Division 9, who died June 16, current, from injuries received while in the discharge of his duty, as long as said Emma J. Butterman, widow of said Adolf Butterman, remains a widow, the amount of said annuity being fixed at $900, to be paid from the appropriation for Police Department pensions, the Commissioner therefore

Ordered: That the name of Emma J. Butterman, widow of the aforesaid Adolf Butterman, be placed on the Department pension roll with an allowance of Nine Hundred (900) Dollars per annum payable monthly in sums of Seventy-five (75) Dollars, commencing August 8, 1919.
